SUBJECT: Required Communications with the Audit and Accountability Committee for the Fiscal Year 2017 External Independent Audit

DATE: November 29, 2017

On June 15, 2017, Ordinance Number 2017-06-15-0450 was passed executing an audit services contract with Grant Thornton LLP (Grant Thornton) to provide external independent audit services for fiscal years ending September 30, 2017, 2018 and 2019.

We are requesting an item be placed on the November 29th agenda of the Audit and Accountability Committee to present and discuss required communications between Grant Thornton and the Committee for the fiscal year 2017 external audit. Grant Thornton began the financial audit for the City of San Antonio on July 31, 2017.

The communications by Grant Thornton to the Audit and Accountability Committee as required by the American Institute of Certified Public Accountants (AICPA) include:

1. The auditor's responsibility under generally accepted auditing standards (GAAS).
2. An overview of the planned scope and timing for the fiscal year 2017 audit.
3. Significant findings from the audit (to be provided upon completion).
4. Inquiry of the Audit and Accountability Committee as to their knowledge of fraud, suspicion of fraud, and views of fraud risk.
