Criteria for Review

According to Section 35-482(h) of the UDC, in order for special exception to be granted, Board of Adjustment must find that the request meets each of the five following conditions:

A. The special exception will be in harmony with the spirit and purpose of the chapter.

The spirit and purpose of the chapter is to ensure that the operation of a one-operator beauty/barber shop does not negatively impact the character of the community or the quality of life of neighbors. The applicant has fulfilled all requirements for a one-operator shop as established in the Unified Development Code. Staff finds that the special exception will be in harmony with the spirit and purpose of the chapter.

B. The public welfare and convenience will be substantially served.

The public welfare and convenience will be served as it will provide a valuable service to the residents of the neighborhood. The proposed hours of operation will be limited to Tuesday through Saturday from 7 am to 7 pm, by appointment only.

C. The neighboring property will not be substantially injured by such proposed use.

The requested special exception is not likely to negatively impact adjacent property owners because the home is in character with those around it. During field visits staff noted nothing visible from the street that would indicate the presence of a beauty/barber shop. There is also a driveway capable of providing any necessary parking for the proposed use.

D. The special exception will not alter the essential character of the district and location in which the

property for which the special exception is sought.

The requested special exception is not likely to alter the essential character of the district as the property is still used, primarily, as residence.

E. The special exception will not weaken the general purpose of the district or the regulations herein established for the specific district.

The primary use of the dwelling remains residence. The one-operator barber/beauty shop will have restricted hours, which are established by the Board of Adjustment. The applicant has met all other requirements established by the Unified Development Code.

Alternative to Applicant's Request

The Board may choose to deny the request, resulting in the property owner not being permitted the beauty/barber shop use.

Staff recommends **APPROVAL** of A-18-005 based on the following findings of fact:

1. The applicant has complied with all requirements established by the Unified Development Code.
2. The granting of the special exception will not injure the public safety or welfare of the subject neighboring properties.
3. The hours of operation will to be limited to Tuesday through Saturday, from 7:00 am to 7:00 pm.
