RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (9-0) recommend Approval.

The applicant is seeking a zone change to allow for the ongoing development of a pipe storage and sales business to operate by right, without the nonconforming restrictions. The required land use for the zoning is “Industrial”. The change to “Industrial” would not alter the character of the area, as the surrounding uses are industrial and intense commercial uses.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Eastern Triangle Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
