**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the West/Southwest Sector Plan, and is currently designated as “General Urban Tier” in the future land use component of the plan. The requested “C-2” Commercial base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “R-6” is appropriate for the subject property’s location; however, this portion of Culebra Road is in the process of being upgraded to a two lane road in each direction, and as development advances into the area, “C-2” uses are a good buffer on primary arterials to transition into residential uses.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property totals 14.9 acres in size, which accommodates the uses permitted in “C-2” Commercial District.

**7. Other Factors:**

None.
