RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Nogalitos/South Zarzamora Community Plan and is currently designated as “Mixed Use” in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed rezoning to “C-2” base zoning is consistent with the development trends of the area.

3. Suitability as Presently Zoned:

The current “R-5” Residential Single-Family District is an appropriate zoning for the property and surrounding area. The properties in the area are a mix of single-family residences as well as commercial uses. The adjacent “C-3R” General Commercial Restrictive Alcohol Sales is much more intense for the area. The proposed “C-2” compliments the area and is a good buffer to the existing “R-5”.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare. The proposed rezoning is requested in order to develop the property into a commercial business.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Nogalitos/South Zarzamora Community Plan. The area has developed into a mix of single-family residences and commercial businesses. The property faces Nogalitos Street which is a secondary arterial road. The future land use of the property and neighborhood properties is “Mixed Use”.

Relevant Goals and Objectives of Nogalitos/South Zarzamora Community Plan:

- Goal 3: Economic Development - Improve the commercial corridors in the planning area in order to attract and support a mix of uses including professional offices, residences and a variety of retail shops that will meet residents’ daily needs and bring vitality to the area.
- Objective 3.1: Diverse Businesses Attract and support a variety of businesses in a walkable, mixed-use environment.

6. Size of Tract:

The subject property is 0.1664 of an acre, which should reasonably accommodate a small scale commercial business.

7. Other Factors:

None.
