RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (11-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the San Antonio International Airport Vicinity Land Use Plan and is currently designated as “Business Park” in the future land use component of the plan. The requested “C-3” base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The rezoning is requested in order to ensure appropriate zoning for an Office Warehouse for the catering business.

3. Suitability as Presently Zoned:

The current “C-2” Commercial District is an appropriate zoning for the property and surrounding area. The properties in the area carry various commercial and multi-family base zoning designations.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals and objectives of the San Antonio International Airport Vicinity Land Use Plan:

- Goal II: Encourage economic growth that enhances airport operations and surrounding development
- Objective 2.2 Encourage commercial development that respects the integrity of existing residential development
- Objective 4.4 Support commercial redevelopment through comprehensive rezoning and incentive zoning

6. Size of Tract:

The subject property is 1.4187 acres, which currently accommodates the current business and proposed uses.

7. Other Factors:

None.
