SAWS serves more than 486,000 water and 435,000 wastewater customers in and around San Antonio and maintains over 12,300 miles of water and sewer mains.

SAWS is governed by a seven-member Board of Trustees with the Mayor serving as an ex-officio member. The City Council exercises its oversight of SAWS through the approval of rates and charges, authorization of debt issuances, approval of all condemnations, and the appointment of all Trustees except the Mayor.
