**Property Details**

**Property History:** The subject property was annexed into the City of San Antonio in 1952 and was zoned "A" Single-Family Residence District. A 1967 case, Ordinance 36078, rezoned a portion of the property "R-3" Multiple Family Residence District. A later case rezoned the property to "B-3" Business District, and in 1992, Ordinance 75932, rezoned the property from "B-3" Business District to "B-3 CC" Business District with City Council Approval for a Go-Cart Track. Upon the adoption of the 2001 Unified Development Code, the previous "B-3 CC" Converted to "C-3 S" General Commercial District with Specific Use Authorization for a go cart Track.

**Topography:** The property is within the Mandatory Detention Area.

**Adjacent Base Zoning and Land Uses**

**ISSUE:**  
None.

**ALTERNATIVES:**

A denial of the request will result in the subject property retaining the current base zoning district. “C-3” General Commercial districts are intended to provide for more intensive commercial uses than those located within the NC, C-1 or C-2 zoning districts. C-3 uses are typically characterized as regional shopping centers, power centers, and/or assembly of similar uses into a single complex. There are no building size limitations, and building height is limited to 35 feet. Examples of permitted uses: bar/tavern & nightclub, amusement/theme parks, dance hall, indoor movie theater, auto repair, auto sales, auto glass sales (installation permitted), auto muffler (sales and installation only), hotel, bookbinder, dry cleaning or laundry plant, indoor flea market, home improvement center, body piercing/massage/tattoo parlor. No outdoor storage is permitted. Outdoor operations and display shall be permitted in areas which are screened as provided in 35-510 of the Unified Development Code.

**FISCAL IMPACT:**  
None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is within close proximity to the Medical Center Regional Center and within ½ a mile within the Looper Metro Premium route.

**Staff Analysis and Recommendation:** Staff and Zoning Commission (11-0) recommend Approval, with Conditions.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the North Sector Plan, and is currently designated as Suburban Tier in the future land use component of the plan. The requested “C-2” Commercial base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The applicant proposes to develop the property to be used as a CPS facility. The property has frontage along Loop 410 and is surrounded by office and other “C-3” uses. A contractor facility will not drastically alter the character of the surrounding area.

**3. Suitability as Presently Zoned:**

The current “C-3” base zoning district is appropriate for the subject property’s location. The requested “C-2 CD” is a down zoning and will allow City Council to add any necessary conditions.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property totals 14.02 acres in size, which reasonably accommodates the uses permitted in “C-2” Commercial District.

**7. Other Factors:**

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

If the request is approved, the following conditions are recommended:

- a. A six foot (6’) solid screen fence along Cherry Street and Briaridge Drive and an eight foot (8’) fence without toppers or outriggers along the remainder of the property.
- b. Downward shielded lighting.
- c. No outdoor amplification of sound.
