ISSUE:

The utilization of Banc of America Public Capital Corp, JP Morgan, and Signature Public Funding Corp to provide Lease Purchase Financing for the aforementioned equipment is consistent with the Fiscal Year 2018 Adopted Budget, the City's bidding policies, and previous actions to obtain similar financings.

ALTERNATIVES:

An alternative to this financing mechanism would be to fund these expenses out of the operating budgets of the Police, Solid Waste, and Fire Departments. The proposed Lease Purchase Financing mechanism minimizes the impact of the expenditure in FY 2018 by allocating it out over three, five, and seven year periods.

FISCAL IMPACT:

Payments will be made quarterly to Banc of America Public Capital Corp, JP Morgan, and Signature Public Funding Corp commencing on or about May 1, 2018.

The lease payments are anticipated to be made from the Police Department Operating Budget with: 1) the lease payment for Police Helicopter for the seven (7) year schedule anticipated to be \$4,963,223 in principal amount with total interest of \$514,951.36 for a total payment of \$5,478,174.36.

The lease payments are anticipated to be made from the Solid Waste Department Operating Budget with: 1) the lease payment for automated side loaders for the five (5) year schedule anticipated to be \$2,862,216.76 in principal amount with total interest of \$200,434.21 for a total payment of 3,602,650.97 and 2) the lease payment for brush tractors and brush trailers for the seven (7) year schedule anticipated to be \$701,511.19 in principal amount with total interest of \$72,693.64 for a total payment of \$774,204.83.

The lease payments are anticipated to be made from the Fire Department Operating Budget with: 1) the lease payment for an ambulance for the three (3) year schedule anticipated to be \$293,000.04 in principal amount with total interest of \$12,593.61 for a total payment of \$305,593.65; 2) the lease payment for bunker gear for the five (5) year schedule anticipated to be \$2,274,869.98 in principal amount with total interest of \$159,303.72 for a total payment of \$2,434,173.70 and 3) the lease payment for direct capture filtration systems, platform truck, and engine for the seven (7) year schedule anticipated to be \$4,313,160.37 in principal amount with total interest of \$446,948.43 for a total payment of \$4,760,108.80.
