SUBJECT:

FY 2018 Pavement Preservation Task Order Contracts

SUMMARY:

Consideration of the following items related to the FY 2018 Infrastructure Management Program (IMP):

- A. An ordinance for the 2018 Micro-Surface Task Order Contract Package 1, accepting the lowest responsive bid and awarding a contract to Viking Construction, Inc. in an amount not to exceed \$1,677,060.00, of which \$16,800.00 will be reimbursed by San Antonio Water System for necessary adjustments to its existing infrastructure.
- B. An ordinance for the 2018 Fog Seal Task Order Contract Package 1, accepting the lowest responsive bid and awarding a contract to Clark Construction of Texas, Inc. in an amount not to exceed \$1,286,122.50,

of which \$12,500.00 will be reimbursed by San Antonio Water System for necessary adjustments to its existing infrastructure.

- C. An ordinance for the 2018 Micro-Surface Task Order Package 2, accepting the lowest responsive bid and awarding a contract to Intermountain Slurry Seal, Inc. in an amount not to exceed \$3,238,777.00, of which \$65,625.00 will be reimbursed by San Antonio Water System for necessary adjustments to its existing infrastructure.
- D. An ordinance for the 2018 Onyx Task Order Contract Package 1, accepting the lowest responsive bid and awarding a contract to Clark Construction of Texas, Inc. in an amount not to exceed \$975,227.75, of which \$14,000.00 will be reimbursed by San Antonio Water System for necessary adjustments to its existing infrastructure.
- E. An ordinance for the 2018 Base Repair Task Order Contract Package 1, accepting the lowest responsive bid and awarding a contract to All In Construction, L.L.C. in an amount not to exceed \$488,319.80, of which \$16,000.00 will be reimbursed by San Antonio Water System for necessary adjustments to its existing infrastructure.

BACKGROUND INFORMATION:

City Council approved \$99 million in the FY 2018 Budget to complete both in-house and contract street maintenance projects. This was an increase of funding in the amount of \$35 million above the \$64 million provided the previous two fiscal years for street maintenance. This will provide for approximately an additional 122 miles of street maintenance upon the completion of the FY 2018 Street Maintenance Program.

Transportation & Capital Improvements (TCI) will use \$87 million of the allocated budget to deliver the street projects using contract forces. TCI began construction of the FY 2018 Street Maintenance Program utilizing seven (7) contracts that were awarded on October 19, 2017, November 2, 2017 and December 14, 2017. Additional contracts are scheduled to be awarded at a later date for the remaining street maintenance program. Table 1 summarizes the contracts awarded to date for this fiscal year.

Table 1.

Awarded Contracts	Amount Awarded
Total Contracts Approved as of December 14, 2017	\$36,167,643.00
Proposed Contracts to be Awarded Today	\$7,665,507.05
Total Contracts Approved to Date	\$43,833,150.05
Approved Contract Forces Budget	\$87,000,000.00
Remaining Contract Forces Budget	\$43,166,849.95

This proposed ordinance authorizes additional contract capacity in the amount of \$7,665,507.05 for the construction of FY 2018 street maintenance projects. Additional contracts are scheduled to be awarded at a later date for the remaining Street Maintenance Program.
