ALTERNATIVES:

A denial of the request will result in the subject property retaining the current base zoning district. C-2 districts accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is not located within a Regional Center or a Premium Transit Corridor.

Staff Analysis and Recommendation: Staff and Zoning Commission (9-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Eastern Triangle Community Plan, and is currently designated as “Neighborhood Commercial” in the future land use component of the plan. The requested “C-2” commercial base zoning district is not consistent with the future land use designation. The applicant has requested a Plan Amendment to change the future land use from “Neighborhood Commercial” to “Community Commercial”. Staff and Planning Commission recommend approval of the amendment.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The subject property fronts a major arterial, Rigsby Avenue, and is along a commercial corridor. The property owner owns the adjacent property to the west that is currently being used for auto sales. The owner intends to expand his current auto full service onto the lot in question. The base zoning will not change and conditions may be added for additional regulation.

3. Suitability as Presently Zoned:

The current “C-2” base zoning district is appropriate for the subject property’s location. The request will not change the base zoning, but will add the conditional use for the Motor Vehicle Sales.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property totals 0.1930 acres in size, which reasonably accommodates the uses permitted in “C-2” Commercial District.

7. Other Factors:

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.
