**ALTERNATIVES:**

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “C-3”, which are intended to provide for more intensive commercial uses than those located within the NC, C-1 or C-2 zoning districts. C-3 uses are typically characterized as regional shopping centers, power centers, and/or assembly of similar uses into a single complex. There are no building size limitations, and building height is limited to 35 feet. Examples of permitted uses: bar/tavern & nightclub, amusement/theme parks, dance hall, indoor movie theater, auto repair, auto sales, auto glass sales (installation permitted), auto muffler (sales and installation only), hotel, bookbinder, dry cleaning or laundry plant, indoor flea market, home improvement center, body piercing/massage/tattoo parlor. No outdoor storage is permitted. Outdoor operations and display shall be permitted in areas which are screened as provided in 35-510 of the Unified Development Code.

**FISCAL IMPACT:**

None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The property is not within a Regional Center. The property is within a ½ of a mile of the New Braunfels Avenue Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (10-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Dignowity Hill Neighborhood Plan and is currently designated as “High Density Mixed Use” in the future land use component of the plan. The requested “C-3” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “C-3” General Commercial District is an appropriate zoning for the property and surrounding area.

North New Braunfels Avenue currently supports intense commercial uses.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the goals, principles, and objectives of the Dignowity Hill Neighborhood Plan.

**6. Size of Tract:**

The subject property is 0.1039 of an acre, which should accommodate the proposed Bail Bond Agency business.

**7. Other Factors:**

The purpose of the Specific Use Authorization is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but with may, under the right set of circumstances and conditions be acceptable in certain specific locations.

The requested Bail Bonds requires a Specific Use Authorization in order to be permitted within the “C-3” base zoning. The research of the area does not indicate an oversaturation of Bail Bond Agency uses. The property’s location along North New Braunfels Avenue, a primary arterial and the existence of intense commercial and industrial base zoning makes the “C-3 S” an appropriate request.
