A denial of the request will result in the subject property retaining the current base zoning district. “C-2” Commercial Districts accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

**FISCAL IMPACT:**

None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is within the Greater Airport Area Regional Center, but not within a Premium Transit Corridor.

**Staff Analysis and Recommendation:** Staff and Zoning Commission (10-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the San Antonio International Airport Vicinity Land Use Plan, and is currently designated as “Mixed Use” in the future land use component of the plan. The requested “C-2” Commercial base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The applicant proposes to reuse the property for a Microbrewery; the structure on site is a 12,000 square foot existing building and 3,000 square feet will be used for the Microbrewery. The request will not change the base zoning, but will add the Conditional Use for the Microbrewery, and conditions may be added for additional regulation.

**3. Suitability as Presently Zoned:**

The current “C-2” base zoning district is appropriate for the subject property’s location, the base zoning will not change.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property totals 0.9821 acres in size, which reasonably accommodates the uses permitted in “C-2” Commercial District.

**7. Other Factors:**

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.
