RECOMMENDATION:

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject properties are located within the Westfort Alliance Neighborhood Plan. Since the proposal is to add “H” Historic District as an overlay zoning district without proposing to change base zoning districts, a consistency review is not applicable.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

Surrounding lots are developed with residential and commercial uses. The proposed zoning request is consistent with the surrounding land uses.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed request meets the San Antonio Comprehensive Plan’s goals and objectives of Historic Preservation and Cultural Heritage chapter. The area is located within the Westfort Alliance Neighborhood Plan. The plan specifies to preserve and enhance the residential character of the neighborhood, while recognizing the diverse, multi-cultural nature of the residents and the architectural quality of the housing stock. The addition of the “H” Historic District overlay is in agreement with the goals and objectives of the Westfort Alliance Neighborhood Plan.

6. Size of Tract:

The properties are approximately 16.891 acres.

7. Other Factors:

- a) The request for historic district designation was submitted by a property owner within the proposed boundary on March 23, 2017, on behalf of the Westfort Alliance Neighborhood Association.
- b) The proposed district was platted in 1909 by E.H. Cunningham and J.Kirkpatrick. The area includes an eclectic mix of styles, including Tudor, craftsman, prairie, Spanish eclectic, folk Victorian, post-war mid-century apartments and neoclassical homes. The development pattern and neighborhood location reflect the proliferation of housing stock after WWII abutting Fort Sam Houston to the east. UDC

Section 35-607 (a) states that historic districts must meet at least three of the designation criteria. The proposed Westfort Historic District meets criteria 3, 8, 10 and 11. All structures included in the proposed boundary are contributing.

- c) BACKGROUND -- The applicant is requesting approval for historic district designation for the Westfort Historic District and a recommendation for approval to the Zoning Commission and to the City Council for Historic zoning designation.
- The proposed district will include the 200 and 300 block of Army between Broadway and Pine, and the 200 block Brahan on the north between Broadway and Pine, and the 300 block of Brahan between Haywood and Pine. It contains 60 non-municipal parcels total. All 60 properties are contributing to the proposed district.
 - Prior to receiving the request for district designation, OHP staff was invited by residents to attend five neighborhood meetings held on 7/18/2016, 8/7/2016, 8/14/2016, 8/23/2016, and 9/14/2016, to provide information regarding historic designation and the design review processes.
 - A public informational meeting for proposed historic district as held on April 11, 2017, for property owners within the boundary. 17 property owners were present at this meeting.
 - On October 17, 2017, OHP gave an additional presentation describing the designation and design review process at the Westfort Neighborhood Alliance Association (W ANA) quarterly meeting. Over 20 residents of WANA were in attendance.
 - On October 19, 2017, the staff of the Office of Historic Preservation received and verified 31 return notices of 51 % of the property owners within the proposed boundary that are in support of the designation. In accordance with the UDC, staff has forwarded the application to the HDRC for review.
 - The decision to seek historic district designation was in response to concerns from the residents regarding recent demolitions and increased development activities.
 - The proposed boundary is located within the Westfort Neighborhood Conservation District-9 (NCD). The NCD was designated by the City Council October 2011. Per UDC 35-335, the City Council aims to preserve, protect, enhance, and perpetuate the value of these residential neighborhoods or commercial districts through the establishment of Neighborhood Conservation Districts. NCDs are established in areas that possess distinctive character-defining features.
