The SAPD Substation & Park Police Headquarters is a 2017 Bond Program project approved by voters on May 6, 2017. The SAPD Substation & Park Police

Headquarters will house sections of the SAPD that are currently located on South Frio Street, as well as serve as the headquarters of the San Antonio Park Police, which is currently located in Hemisfair Park. The SAPD Substation & Park Police Headquarters will provide additional police presence and support to the citizens of San Antonio, particularly in the downtown area and the East Side. Additionally, there will be a small community room within the new substation that will be available to neighborhood groups or to host police department outreach events.
