SUMMARY:

This ordinance authorizes the ratification of payments made to Siddons Martin Emergency Group for providing repairs to Fire Engine #19 for a total cost of \$117,448.00. Funding is available in the FY 2018 General Fund Budget.

BACKGROUND INFORMATION:

The City of San Antonio contracted Siddons Martin Emergency Group to provide repairs to Fire Engine #19 that was struck by a vehicle while returning from an emergency response. The impact caused significant damage to the unit, requiring that it be sent to the original equipment manufacturer for repairs. By doing so, the unit was repaired to the original specifications and the existing warranty was preserved.

Subsequent to the completion of repairs, the Risk Management division has filed a claim against the insurance carrier providing coverage for the vehicle that struck Fire Engine #19. The limit of liability on the policy is \$25,000.00, which would be the maximum amount the City could collect. Acceptance of the claim by the insurance company is pending.

These expenditures are an exception to the Local Preference Program.
