SUMMARY:

An ordinance declaring a vacant tract of land located at 175 Kelly Drive in Council District 3 as surplus and authorizing its conveyance/sale to Paul C. Alvarado for \$19,500.00.

BACKGROUND INFORMATION:

Under Municipal Code, all city property must be declared as surplus prior to the disposition (sale) of the property. The request to declare property as surplus must be submitted to Transportation & Capital Improvements, Real Estate Division, then the request and exhibits are sent to departments and municipal utilities that provide services to, or construct infrastructure on the properties. The departments and municipal utilities respond if there is a need for the property or if the property may be disposed. The subject property was reviewed by City departments and utilities and no denials were received.

The subject property, located at 175 Kelly Drive within NCB 7674 as shown on the attached map, is a tax

foreclosure obtained by the City in 1973. The property is approximately .1618 of an acre or 7,050 square feet and zoned H R-5 Historic Residential Single-Family.

The subject property was advertised for sale in the Multiple Listing Service (MLS) with Providence Commercial Real Estate Services for 30 days. The four abutting property owners were informed that the property would be advertised for sale with Providence Commercial Real Estate Services. The City of San Antonio received seven bids for the sale of the property. Paul C. Alvarado, an abutting property owner and resident at 179 Kelly Drive, placed the highest bid of \$19,500.00.

If approved, Paul C. Alvarado would like to keep the land as an open space. Mr. Alvarado has indicated that he will maintain the property and use it for recreational purposes.

The City of San Antonio's Planning Commission recommended approval of this request at its regular meeting on June 13, 2018.

This action is consistent with City Code and Ordinances, which require City Council approval for the sale or disposition of City-owned or controlled real property.

ALTERNATIVES:

City Council could choose not to approve the disposition of this City-owned property and place the property on the tax rolls; however, the City of San Antonio would continue to be responsible for the maintenance of the property. In addition, this would prevent the property from being placed on the tax rolls to generate revenue for the City and the other taxing entities.

FISCAL IMPACT:

In compliance with Chapter 37 of the City Code, Section 37-2 Section 2(g)(2), the property was appraised at \$13,960.00 utilizing the Bexar Appraisal District assessed land value. The City of San Antonio will collect a total of \$19,500.00 for the sale of this property. This is a tax foreclosure property; therefore, all tax liens will be paid when the property closes at the title company. Any remaining funds will be deposited into the General Fund in accordance with FY 2018 Adopted Budget.

The property will be placed on the tax rolls, which will generate revenue for the City of San Antonio as well as other taxing entities.

Staff recommends approval of the ordinance to declare as surplus, authorize the conveyance/sale of the property located at 175 Kelly Drive to Paul C. Alvarado in Council District 3.
