**RECOMMENDATION:**

Staff Analysis & Recommendation: Staff recommends Denial. Planning Commission recommends Approval (5-4).

The applicant proposes to put five (5) detached townhomes on the property. The “Low Density Mixed Use” designation will alter the character of the neighborhood. The location of the property at the end of the block surrounded by “Low Density Residential” land uses and “R-6” Residential Single-Family zoning is appropriate for the area. Staff recommends Denial of the Plan Amendment and recommends that the applicant rezone to “R-3” Residential Single-Family, with replatted 3,000 square foot lots for a maximum of four (4) units, which would not require a Plan Amendment.

**ALTERNATIVES:**

1. Recommend Approval of the proposed amendment to the Tobin Hill Neighborhood Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
