Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is not located within a Neighborhood, Community, or Sector Land Use Plan so finding of Consistency is not required.

**2. Adverse Impacts on Neighboring Lands:**

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. The area directly to the east was rezoned in 2014 to develop single-family dwellings.

**3. Suitability as Presently Zoned:**

The existing “C-2” base zoning district is not appropriate for the surrounding area. There are single-family dwellings directly to the east and a Pre-K for S.A. Center directly to the west. The proposed “R-4” base zoning district is much more appropriate for the subject property.

**4. Health, Safety and Welfare:**

Staff has not found any indication of likely adverse effects on the public health, safety, or welfare. The proposed use is appropriate for the surrounding area.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The 16.21 acre site is of sufficient size to accommodate the proposed development. The proposed zoning will permit up to a 176 single-family dwellings.

**7. Other Factors:**

None.
