**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Heritage South Sector Plan, and is currently designated as “Rural Estate Tier” in the future land use component of the plan. The requested “C-1” Light Commercial base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The applicant intends to rezone the property for restaurant and other light commercial uses. Commercial is appropriate along highway corridors and acts as a buffer to the highway.

**3. Suitability as Presently Zoned:**

The current “R-20” base zoning district is appropriate for the subject property’s location given then current rural presence; however, commercial fronting the highway is also an appropriate use. Both the applicants request for “C-1”, plus C-2” is recommended along a major highway such as Loop 1604.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property totals 5.00 acres in size, which reasonably accommodates the uses permitted in “C-1” Commercial District.

**7. Other Factors:**

None.
