RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Guadalupe Westside Community Plan and is currently designated as “Low Density Mixed Use” in the future land use component of the plan. The requested “R-4” base zoning is compatible with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The request does not alter the base zoning district.

3. Suitability as Presently Zoned:

The current “R-4” Residential Single-Family District is an appropriate zoning for the property and surrounding area.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Guadalupe Westside Community Plan.

Guadalupe Westside Community Plan Relevant Goals and Objectives:

- Promote a diverse variety of housing stock in the community that sustains all ages and economic groups.
- Encourage and facilitate the development of quality, diverse housing that is compatible with the character of the neighborhood.
- Promote the development of a variety of housing sizes and prices including retirement housing, assisted living, quality affordable single-family houses, small apartment complexes (6 to 20 units), and housing in mixed-use buildings.

6. Size of Tract:

The subject property is 0.0895 acres, which would adequately support the development of a Triplex.

7. Other Factors:

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. JBSA does not object with the request.
