**DEPARTMENT:** Aviation

**DEPARTMENT HEAD:** Russell J. Handy

**COUNCIL DISTRICTS IMPACTED:** Citywide

**SUBJECT:**

Routine Airport Maintenance Grant Program at Stinson Municipal Airport

**SUMMARY:**

This Ordinance authorizes \$100,000.00 from the Stinson Revolving Fund of which the Texas Department of Transportation (TXDOT) will reimburse the City up to \$50,000.00 for a grant as part of the Routine Airport Maintenance Program (RAMP) for improvements at the Stinson Municipal Airport.

**BACKGROUND INFORMATION:**

The Aviation Division for TXDOT helps cities and counties obtain and disburse federal and state funds for reliever and general aviation airports in the Texas Airport System Plan which includes Stinson Municipal Airport. TXDOT administers the RAMP which matches local government grants up to \$50,000.00 for basic airside and landside improvements. As a requirement of the program, a local government must execute the

grant prior to work being performed.

Reimbursements from RAMP have assisted in addressing several smaller scale projects at Stinson Municipal Airport. Examples of past projects reimbursed by the program include the build-out of office space within the Terminal Building, storm water outfall repairs and roof and other repairs to a city-owned hangars and buildings. TXDOT does not require projects eligible for RAMP reimbursement to be identified prior to execution of the grant; however, the Aviation Department plans to use the funds to purchase and install runway end identification lights (REILs) to identify the approach end of the runway. The REILs will be LED so they will last longer than the current lights.

#### **ISSUE:**

This action is consistent with City Council's policy of improving facilities at Stinson Municipal Airport and utilizing federal or state funding when available.

#### **ALTERNATIVES:**

City Council could elect not to approve the reimbursement of funds and the authorization for participation in the RAMP. However, participation in this program allows the City to utilize other funding sources for improvements at Stinson Municipal Airport.

#### **FISCAL IMPACT:**

This Ordinance authorizes \$100,000.00 from the Stinson Revolving Fund for Stinson Building Modifications project of which TXDOT will reimburse the City up to \$50,000.00 for this project. This project is included in the FY 2019 - FY 2024 Capital Improvement Program.

#### **RECOMMENDATION:**

Staff recommends the acceptance of RAMP grant for routine maintenance projects at Stinson Municipal Airport.
