BACKGROUND INFORMATION:

Submitted for Council consideration and action is a proposal submitted by Selrico Services, Inc. to provide custodial services for the Department of Human Services, San Antonio Fire Department, San Antonio Police Department, Transportation and Capital Improvements Department and the Solid Waste Management Department. The custodial services and cleaning frequency are required to provide coverage during public service hours in order to maintain these facilities in a clean, attractive and orderly manner.

The City issued a Request for Competitive Sealed Proposal (RFCSP) for “Custodial Services for Various City Facilities” (RFCSP 6100010398) on June 6, 2018, with a submission deadline of July 20, 2018. Five proposal responses were received and were all deemed eligible for evaluation. Selrico Services, Inc. is recommended for contract award based on the City’s standard RFCSP evaluation process.

The evaluation committee consisted of representatives from the Department of Human Services, San Antonio Fire Department, and San Antonio Police Department. The Finance Department, Purchasing Division assisted by ensuring compliance with City procurement policies and procedures. The evaluation of each proposal response was based on a total of 100 points; 30 points allotted for experience, background, qualifications; 35 points allotted for proposed plan; and 15 points allotted for respondent’s price schedule. Ten preference points were allotted for the Small Business Economic Development Advocacy Program, SBE Prime Contractor Program Affirmative Procurement Initiative, and ten preference points allotted for the M/WBE Prime Contractor Program Affirmative Procurement Initiative. Additional categories of consideration included references and financial qualifications.

Prior to committee evaluation, a best and final offer was requested from all five respondents to add custodial services at the Culebra Complex consisting of approximately 25,547 square feet to the scope of services. Responses were received on September 20, 2018.

The evaluation committee met on October 3, 2018 to evaluate the five responsive proposals received. After committee review and discussion, a second best and final offer was requested from all five respondents to address service level changes and removal of two sites. Responses were received on October 16, 2018. The evaluation committee reconvened on October 24, 2018 to continue review and discussion of proposals. The evaluation committee elected to interview the three top-ranked firms. The interviews were held on November 2, 2018. Following the interviews, Selrico Services, Inc. received the highest ranking and was recommended for award by the evaluation committee.

The initial term of the agreement shall be January 1, 2019 through September 30, 2021. Two additional one-year renewals at the City’s option shall also be authorized by this ordinance.
