**ISSUE:**

None.

**ALTERNATIVES:**

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “O-2” High-Rise Office District which permits for the establishment of low to high-rise office buildings. Examples of permitted uses include offices, parks, and schools. Other uses listed as “permitted” in the UDC Nonresidential Use Matrix are only allowed as accessory uses to a primary and principal office use. A minimum 65 foot buffer zoned NC, C-1 or O-1 shall be provided when abutting residential uses or zoning. Outdoor display or sale of merchandise is prohibited.

**FISCAL IMPACT:**

None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is not within a Regional Center, but is along the San Pedro Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending the Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the North Central Neighborhoods Community Plan, and is currently designated as “Low Density Residential” in the future land use component of the plan. The requested “C-2” is not consistent with the future land use designation. The applicant is requesting a land use amendment from “Low Density Residential” to “Community Commercial” to accommodate the proposed rezoning. Staff and Planning Commission recommend Approval.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “O-2” base zoning district is not appropriate for the property or the surrounding area. The “C-2” base zoning is an appropriate base zoning district.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does appear to conflict with the goals and objectives of the North Central Neighborhoods Community Plan. The requested rezoning is a more appropriate base zoning for the property which is located on San Pedro Avenue, a primary arterial. The current “O-2” base zoning is the result of a code conversion that is not compatible with the current development along San Pedro Avenue.

Relevant Goals and Objectives from the North Central Neighborhoods Community Plan:

GOAL 3: Maintain and preserve the quality of the existing residential and commercial properties through the encouragement of rehabilitation and code compliance.

Objective 3.1: Promote the maintenance of existing properties.

**6. Size of Tract:**

The subject property measures 0.2179 of an acre which currently accommodates a commercial building with parking.

**7. Other Factors:**

None.
