RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (8-0) recommend Approval, pending Plan Amendment

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the North Sector Plan and is currently designated as “Rural Estate Tier” in the future land use component of the plan. The requested “C-2” base zoning is not compatible with the future land use designation. The applicant is requesting a Plan Amendment from “Rural Estate Tier” to “General Urban Tier” to accommodate the proposed rezoning. Staff and Planning Commission recommend Approval of the Plan Amendment.

2. Adverse Impacts on Neighboring Lands:

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The current “RE” Residential Estate District is not an appropriate zoning for the property and surrounding area. The subject property is located within the intersection of two secondary arterial roads, which commercial uses would suit better.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the North Sector Plan.

North Sector Plan Relevant Goals and Objectives:

- Goal LU-1 Compatible land use pattern promoted so that natural resources are preserved and the local economy remains viable
 - LU-1.1 Locate buffers between high density/intensity land uses that are potentially incompatible.

6. Size of Tract:

The subject property is 5.874 acres, which would adequately support the development of an office warehouse.

7. Other Factors:

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The subject property is located within the Camp Bullis Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
