ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “R-4”. These districts provide areas for medium- to high-density, single-family residential uses where adequate public facilities and services exist with capacity to serve development. Residential single-family provides minimum lot size and density requirements in order to preserve neighborhood character.

FISCAL IMPACT:

None.

The property is located within 1 mile of the Downtown Regional Center and is not located within a Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Nogalitos/South Zarzamora Plan and is currently designated as “Low Density Residential” in the future land use component of the plan. The requested “C-2” base zoning is not compatible with the future land use designation. The applicant is seeking a Plan Amendment to “Mixed Use.” Staff and Planning Commission recommend Approval.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request as it is separate

3. Suitability as Presently Zoned:

The current “R-6” Residential Single-Family is an appropriate zoning for the property and surrounding area.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does appear to conflict with the following goals, principles, and objectives of the Huebner/Leon Creeks Community Plan.

Huebner/Leon Creeks Community Plan Relevant Goals and Objectives:

- Goal 1; Objective 1.1: Growth Management - Promote new commercial and residential development that is respectful of the primarily residential character of the area.
- Goal 1; Objective 1.3: Low Density - Maintain the low density development pattern.
- Goal 1; Objective 1.4: Neighborhood Conservation and Nodal Development - Seek techniques to maintain existing development patterns.

6. Size of Tract:

The subject property is .1435 acres, which would adequately support a variety of commercial as well as the proposed Tattoo Parlor/Studio.

7. Other Factors:

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

Staff is working with the applicant for a more complete site plan.
