**ALTERNATIVES:**

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “C-3 NA AHOD”. C-3 districts are intended to provide for more intensive commercial uses than those located within the NC, C-1 or C-2 zoning districts. C-3 uses are typically characterized as regional shopping centers, power centers, and/or assembly of similar uses into a single complex. "C-2" districts accommodate commercial and retail uses that are less intensive in character than "C-3" uses, and which generate less volume of vehicular traffic and/or truck traffic.

**FISCAL IMPACT:**

None.

**Proximity to Regional Center/Premium Transit Corridor**

The property is located within half a mile of a Premium Transit Corridor

**RECOMMENDATION:**

**Staff Analysis & Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Near Northwest Community Plan and is currently designated as “Community Commercial” in the land use component of the plan. The requested “C-2” base zoning district is consistent with the adopted land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.

**3. Suitability as Presently Zoned:**

The existing “C-3” base zoning district is appropriate for the surrounding area. The existing “C-3” is a more intense zoning base district. The proposed “C-2 CD” provides for commercial uses but allows the use to be conditioned down for a Party House, Reception Hall or Meeting Facility.

**4. Health, Safety and Welfare:**

Staff has not found any indication of likely adverse effects on the public health, safety, or welfare. The proposed “CD” allows for the proposed use to be considered, while allowing for particular conditions if necessary, such as hours of operation and buffering/screening.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective. The request is consistent with the Near Northwest Community Plan.

Relevant Goals and Objectives of the Near Northwest Community Plan:

- Objective 2.2: Business Development- Create opportunities for new business development to ensure a diversity of attractive businesses in pedestrian friendly environments.

**6. Size of Tract:**

The 3.430 acre site is of sufficient size to accommodate the proposed development of a Party House, Reception Hall or Meeting Facility and other commercial uses.

**7. Other Factors:**

The purpose of the Conditional Use is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but which may under the right set of circumstances and conditions be acceptable in certain specific locations.
