BACKGROUND INFORMATION:

ISSUE:

This ordinance authorizes the execution of contracts with CohnReznick; Hagerty Consulting, Inc.; Integrated Solutions Consulting; and Partner Forces, LLC for emergency management services. The initial term of the contract is for three years, with the opportunity to renew the contract for fourth and fifth years. This will allow the Office of Emergency Management to engage with the awardees to conduct a variety of emergency management services, including but not limited to preparedness, planning, exercises, mitigation, and recovery projects.

The City issued a Request for Proposal (RFP) for “Multi-Year Emergency Management Strategic Planning Services” on October 12, 2018, with a submission deadline of November 7, 2018. The RFP was advertised in the San Antonio Express-News, TVSA channel, San Antonio e-Procurement System, and the City’s Bidding and Contracting opportunities website. Five proposals were received and were responsive for proposal evaluation.

The evaluation committee consisted of 5 members from the San Antonio Fire Department. The Finance Department, Purchasing Division facilitated by ensuring compliance with city procurement policies and procedures.

Proposals were evaluated and scored based on the published evaluation criteria in the RFP, which included: Experience, Background, Qualifications (40 points), Proposed Plan (30 points), Price Schedule (20 points), Small Business Economic Development Advocacy (SBEDA) Program: Small Business Enterprise (SBE) Prime Contract Program (5 points), and the Minority/Women Business Enterprise (M/WBE) Prime Contract Program (5 points).

This contract will be awarded in compliance with the Small Business Economic Development Advocacy (SBEDA) Program, which requires contracts be reviewed by a Goal Setting Committee to establish a requirement and/or incentive unique to the particular contract in an effort to maximize the amount of small, minority, and women-owned business participation on the contract. The Goal Setting Committee applied the Small and Minority/ Women-Owned Business Enterprise Prime Contract Program with ten (10) evaluation preference points.

The evaluation committee met to review, evaluate and score all five proposals received. After all discussions and scoring were completed by the evaluation committee, the four highest ranked firm(s) CohnReznick; Hagerty Consulting, Inc.; Integrated Solutions Consulting; and Partner Forces, LLC were selected for award recommendation.

The Local Preference Program (LPP) and Veteran-Owned Small Business Preference Program (VOSBPP) were not applicable for this solicitation.

The contract will enable contractors to provide a variety of emergency management professional services, including, but not limited to preparedness, planning, training, exercise design, mitigation, and recovery. These professional services will address grant funded projects and enable the Office of Emergency Management to more quickly hire consultants in the case of a real world emergency.

ALTERNATIVES:
