COUNCIL DISTRICTS IMPACTED: District 5

SUBJECT:

Resolution to initiate historic landmark designation for 430 S San Augustine and a waiver of application fees.

SUMMARY:

This resolution requests direction from City Council to move forward with historic landmark designation for the property at 430 S San Augustine. On December 19, 2018, the Historic and Design Review Commission (HDRC) agreed with the finding of historic significance and supported the designated of the property as a local landmark.

BACKGROUND INFORMATION:

On October 12, 2018, a demolition application was submitted to the Office of Historic Preservation (OHP) by the property owner of the commercial structure at 430 S San Augustine, located in the Las Palmas neighborhood of District 5. A Request for Review of Historic Significance was submitted on November 27, 2018 by Sarah Gould, representing the Westside Preservation Alliance and Esperanza Peace & Justice Center.

430 S San Augustine is a single-story, stucco-clad commercial building located in the Las Palmas neighborhood of City Council District 5. Manuel Cerrillo currently owns the property. The structure meets criteria 1, 2, 7, 8, 11, and 12, exceeding the eligibility requirements for local landmark designation outlined in the UDC.

On December 19, 2018, the HDRC agreed with the finding of historic significance, recommended approval and requested a resolution from the City Council to initiate the designation process. The property owner does not

support designation.

ISSUE:

430 S San Augustine meets the criteria and is eligible for landmark designation. If Council approves a resolution to proceed with landmark designation, OHP would apply for a change in zoning to include a historic landmark overlay for the properties. The change in zoning requires approval from both the Zoning Commission and City Council. If approved by Council, the properties would become local historic landmarks. Rehabilitation work would qualify for local tax incentives, and all future proposals for the properties would require HDRC review.

ALTERNATIVES:

Landmark designation would help protect and preserve this structure. If Council does not approve a resolution to proceed with landmark designation, the designation process would come to an end and the HDRC's recommendation would not be required for any demolition requests. New construction on the property would not require review by the HDRC.

FISCAL IMPACT:

Costs associated with this designation include application fees of \$842.70 and would be funded through the Office of Historic Preservation FY 2019 budget. However, the Office of Historic Preservation requests a waiver of all related fees.

RECOMMENDATION:

The property is eligible for historic designation. The HDRC recommends that City Council initiate the historic designation process.
