Overlay and Special District Information:

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

“MLOD-3”

All surrounding properties carry the "MLOD-3" Military Lighting Overlay District, due to their proximity to Martindale Army Airfield. The "MLOD-3" does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

Transportation

Thoroughfare: US Highway 87 East

Existing Character: Expressway; Primary Arterial A

Proposed Changes: None Known

Public Transit: VIA bus routes are not within walking distance of the subject property.

Traffic Impact: A Traffic Impact Analysis (TIA) is required.

Parking Information: Truck repair and maintenance: 1 per 500 sf GFA including service bays, wash tunnels, and retail areas.

ISSUE:

None.

ALTERNATIVES:

Denial of the requested zoning change would result in the subject properties retaining the present zoning district designations. Examples of permitted uses within “L” are: auto sales & repair, wrecker services, cabinet and carpenter shop, can recycling collection station, lumber yard, machine shop, equipment and event rentals, tree service, moving company.

FISCAL IMPACT:

None.

Proximity to Regional Center/Premium Transit Corridor

The subject property is not located within or near a Regional Center.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval, pending the Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Eastern Triangle Community Plan, and is currently designated as “Light Industrial” in the future land use component of the plan. The requested “I-1” base zoning district is not consistent with the future land use designation. The applicant is requesting a plan amendment to “Industrial.” Staff recommends Approval of the Plan Amendment. The Planning Commission recommendation is pending the April 10, 2019 hearing.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed development is for the expansion of the sanitation facility in response to their growing demands as a company to include auto truck maintenance and repair; this is an appropriate use for the area.

3. Suitability as Presently Zoned:

The current “L” Light Industrial is an appropriate zoning for the property and surrounding area. The proposed “I-1” increases the zoning intensity and is necessary in order to expand the existing use.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with the land use goals and strategies of the Eastern Triangle Community Plan.

Eastern Triangle Community Plan Goals:

LU-1.1: Eliminate existing zoning that allows industrial uses that do not meet the performance criteria in Table LU-1.1

LU-1.4: Encourage efforts to provide buffer areas and landscaping or neighborhood/ community commercial uses between Business Park and adjoining uses. Encourage the use of buffer areas for community events as business needs allow.

6. Size of Tract:

The subject property is 16.911 acres, which would adequately support industrial and auto truck repair uses.

7. Other Factors:

The subject property is located within the Martindale Army Airfield Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
