Plan Goals:

LU-1.1: Eliminate existing zoning that allows industrial uses that do not meet the performance criteria in Table LU-1.1

LU-1.4: Encourage efforts to provide buffer areas and landscaping or neighborhood/ community commercial uses between Business Park and adjoining uses. Encourage the use of buffer areas for community events as business needs allow.

Comprehensive Land Use Categories

Land Use Category: “Light Industrial”

Light Industrial areas include a mix of light manufacturing uses, office parks and limited retail/service uses that serve the industrial uses. Industrial uses should be screened and buffered from adjoining uses. Any outside storage must be under a roof and screened from public view. Examples of light industrial uses include drug laboratories, furniture wholesalers, lumberyards, tamale factories and warehousing.

Related Zoning Districts: C-2, C-3, O-1.5, O-2, L & MI-1

Land Use Category: “Industrial”

Any outside storage must be under a roof and screened from public view

RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (8-0) recommend Approval.

The property is located within the Eastern Triangle Community Plan, and is currently designated as “Light Industrial” in the future land use component of the plan. The requested “I-1” base zoning district is not consistent with the future land use designation. The applicant is requesting a plan amendment to “Industrial.” The land use change and rezoning will allow for expansion of the already existing Tiger Sanitation business.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Eastern Triangle Community Plan.
2. Make an alternate recommendation.
