**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Greater Dellview Area Community Plan and is currently designated as “Low Density Residential” in the future land use component of the plan. The requested “R-4” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “R-4” Single family residential District is an appropriate zoning for the property and surrounding area. The proposed Conditional Use allows consideration of a professional office use and imposes the noted nonresidential use restriction for an “Office” use in a residential district.

**4. Health, Safety and Welfare:**

Staff found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Greater Dellview Area Community Plan:

- Goal 2: Neighborhood Commercial Revitalization
  - Objective 2.4: Small Business Development Foster an environment that promotes, encourages

and supports small business development

**6. Size of Tract:**

The subject property is 0.2059 acres, which could reasonably accommodate requested use.

**7. Other Factors:**

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The following conditions shall apply to the operation of nonresidential conditional uses permitted within any residential district, unless otherwise approved by the City Council:

- A. There shall be no exterior display or sign with the exception that a nameplate, not exceeding three (3) square feet in area, may be permitted when attached to the front of the main structure.
- B. No construction features shall be permitted which would place the structure out of character with the surrounding residential neighborhood.
- C. Business hours operation shall not be permitted before 7:00 a.m. or after 6:00 p.m.
