Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of "R-4". Residential single-family provides minimum lot size and density requirements in order to preserve neighborhood character.

## **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

### **1. Consistency:**

The subject property is located within the Highlands Community Plan and is currently designated as "Neighborhood Commercial" in the future land use component of the plan. The requested "C-1" Commercial base zoning district is consistent with the future land use designation.

### **2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

### **3. Suitability as Presently Zoned:**

The current “R-4” Residential Single-Family District is an appropriate zoning for the property and surrounding area. The proposed “C-1” would allow neighborhood commercial uses.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Highlands Community Plan:

Goal 1 Economic Development Improve the current variety of goods, services and employment available within the community by creating an environment conducive to commercial prosperity and encouraging new businesses to locate in the area.

Objective 1.2 Develop an Action Plan Develop and publicize an appropriate action plan to diversify and expand the current availability of goods and services within the Highlands community by identifying and evaluating new and existing resources.

**6. Size of Tract:**

The subject property is 0.1377 acres, which could reasonably accommodate the proposed childcare facility.

**7. Other Factors:**

The subject property is located within the Martindale Army Air Field Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
