Overlay and Special District Information:

"MLOD-2"

All surrounding properties carry the "MLOD-2" Military Lighting Overlay District, due to their proximity to Lackland Air Force Base. The "MLOD-2" does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of "C-3R". "C-3" districts are designed to provide for more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. "C-3" districts should incorporate shared internal circulation and limited curb cuts to arterial streets. District regulations within the "C-3R" district are the same as in "C-3" districts except that no sales of alcoholic beverages for on-premises consumption shall be permitted.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is within the Port San Antonio Regional Center and located within the Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (11-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the United Southwest Communities Plan and is currently designated as "Regional Commercial" in the future land use component of the plan. The requested "C-3" base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The current “C-3R” General Commercial Restrictive Alcoholic Sales District is an appropriate zoning for the property and surrounding area. The proposed “C-3” removes the sale of alcoholic beverages for on-premises consumption restriction.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the United Southwest Communities Plan:

Goal 1 - Economic Development: Attract new businesses, services and retail establishments to the United Southwest Communities.

Objective 1.1: Commercial Development: Implement strategies to attract commercial development.

6. Size of Tract:

The subject property is 12.18 acres, which could reasonably accommodate commercial use.

7. Other Factors:

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military responded and has no objections.
