**ISSUE:**

**Comprehensive Plan**

**Comprehensive Plan Component:** United Southwest Communities Plan

**Plan Adoption Date:** August 4, 2005

**Update History:** June 16, 2011

**Plan Goals:**

- **Goal 1 - Economic Development:** Attract new businesses, services, and retail establishments to the United Southwest Communities  
**Action Step 1.1.2:** Work with the San Antonio Economic Development Foundation to solicit companies to locate and build industrial and commercial development along IH-35 South and along Fischer Road.

**Comprehensive Land Use Categories**

**Land Use Category:** Regional Commercial

**Description of Land Use Category:** Regional Commercial includes high intensity commercial land uses that draw customers from a larger region. Regional Commercial uses are typically located at intersection nodes along expressways or major arterial roadways or adjacent to high-capacity mass transit system stations. These commercial nodes are typically 20 acres or greater in area. Regional Commercial uses should incorporate well-defined entrances, shared internal circulation, limited curb cuts to expressways and arterial streets, sidewalks and shade trees in parking lots, landscaped yards between the parking lot and street, and well-designed monument signage. Examples of Regional Commercial uses include movie theaters, wholesale plant nurseries, fitness centers, home improvement centers, hotels and motels, mid to high rise office buildings, and automobile dealerships.

**Permitted Zoning Districts:** O-1.5, O-2, C-2, C-2P, C-3 and UD

**Land Use Category:** Light Industrial

**Description of Land Use Category:** Light Industrial includes a mix of manufacturing uses, business park and limited retail/service uses that serve the industrial uses. Industrial uses should be screened and buffered from adjoining non-industrial uses. Any outside storage should be under a roof and screened from public view. Examples of industrial uses include drug laboratories, furniture wholesalers, lumber yards, tamale factories and warehousing.

**Permitted Zoning Districts:** BP, L, MI-1 and I-1

**Land Use Category:** Public/Institutional

**Description of Land Use Category:** Public/Institutional includes public, quasi-public, utility company and institutional uses. Examples include public buildings (government, post office, libraries, social services, police and fire stations), schools, religious facilities, museums, fraternal and service organizations and hospitals.

**Permitted Zoning Districts:** Any, as long as it is for a Public/Institutional use

**RECOMMENDATION:**

Staff Analysis & Recommendation: Staff recommends Approval.

Maruchan Texas, Inc. is a large manufacturing company that currently maintains a food processing facility at the intersection of IH-35 South and South Loop 410, in the City's Extraterritorial Jurisdiction (ETJ) and in Emergency Services District (ESD) #5. In June 2012, the City Council approved a five-year Industrial District Non-Annexation Agreement (IDA) with Maruchan Texas, Inc., through Ordinance No. 2012-06-14-045.

The IDA and fire agreement were amended and extended in May 2016 until the end of 2018. In the amended IDA, Maruchan exchanged 2.057 acres of land with the City of San Antonio for the construction of a new fire station, a small fee and continued fire services. SAFD Fire Station #52 was built in 2017. The proposed Plan Amendment as well as the zoning case is being processed concurrently with the proposed annexation.

The adopted future land use is Regional Commercial for both properties. The required "I-1" (General Industrial) base zoning district for the Maruchan Property will require a plan amendment to a "Light Industrial" future land use category. The public use of the fire station property will require a plan amendment to a "Public/Institutional" future land use category.

**ALTERNATIVES:**

1. Recommend Denial of the proposed amendment to the United Southwest Communities Plan, as described above.
2. Make an alternate recommendation.
3. Continue to a future date.
