**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the West/Southwest Sector Plan and is currently designated as “Mixed Use Center” in the future land use component of the plan. The requested "C-2" Commercial District base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “C-3 NA” Commercial Nonalcoholic Sales District is an appropriate zoning for the property and surrounding area.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the West/Southwest Sector Plan:

- Goal ED-1 The West/Southwest Sector is an economically sustainable community in which residents have a variety of employment opportunities
- Goal ED-2 Existing and planned future corridors and accessible, pedestrian commercial nodes contain strong, vibrant business activities with a mix of uses and employment opportunities
- Goal ED-3 The West/Southwest Sector community values existing and future businesses; businesses which in turn support the neighborhoods

**6. Size of Tract:**

The subject property is 2.149 acres, which could reasonably accommodate the proposed convenience store with gas sales.

**7. Other Factors:**

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
