**ISSUE:**

None.

**ALTERNATIVES:**

**Current:** The present zoning district designation of “I-1” General Industrial accommodates areas of heavy and concentrated fabrication and manufacturing and industrial uses which are suitable based on the character of adjacent development. Examples of permitted uses: auto & light truck auction, truck stop, abrasives manufacturing, food & drug manufacturing, sand & gravel storage & sales, outdoor flea market, manufactured homes/oversized vehicles sales, service and storage.

**Proposed:** The proposed “C-2” Commercial district accommodates community commercial uses, with unlimited building size, and building height limitation of 25 feet. **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Guadalupe Westside Community Plan and is currently designated as “Commercial” in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “I-1” zoning is not appropriate for the property and surrounding area. The proposed “C-2” would be a more appropriate zoning for the scale of the neighborhood.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Guadalupe Westside Community Plan:

Goal 19.1.4 Create action plan to address vacant parcels and underutilized or deteriorating buildings.

19.4.2 Ensure availability of goods and services to serve the local community, in addition to larger regional markets.

**6. Size of Tract:**

The subject property is 1.709 Acres, which could reasonably accommodate Commercial uses.

**7. Other Factors:**

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.

The applicant is proposing to operate an auto parts store.
