The Act requires an annual review of the Investment Policy by City Council. The Texas Legislature was in session this year and changes to the Act did not impact the City's Investment Policy. There were minor changes made throughout the City's Investment Policy to update various terms but there were no significant or material changes. The proposed changes to the City's Investment Policy were approved by the City's Investment Committee on September 5, 2019.

The City is required to annually review, revise, and adopt the list of qualified, eligible Broker/Dealers and banks with whom the City does business. On September 5, 2019, fourteen firms were approved by the Investment Committee to engage in investment transactions for the period beginning October 1, 2019 through September 30, 2020. Exhibit I shows the list of Broker/Dealers that were approved for FY 2020 by the City's Investment Committee.
