ISSUE:

The aforementioned transaction is consistent with the City's objective to routinely review the possibility of refunding certain of its outstanding debt to effectuate interest cost savings.

ALTERNATIVES:

The City could choose not to refund the proposed issuances and forego the interest cost savings of refunding the obligations at a lower interest rate.

FISCAL IMPACT:

Any costs pertaining to the proposed transactions will be paid for from the proceeds derived from the issuance and sale of such 2019 Airport Bonds. Therefore, there is no impact on the City's Operating Budget.

RECOMMENDATION:

Staff recommends approval of these Ordinances that authorize the issuance, sale, and delivery of the 2019 Airport Bonds.
