**COUNCIL DISTRICTS IMPACTED:** Council District 4

### SUBJECT:

Contract Award: Cedarhurst Drive Area (Dumont Drive to Eaglerock Drive) (2017 Bond Project)

### SUMMARY:

An ordinance accepting the lowest responsive bid and awarding a construction contract to Pesado Construction Company in the amount of \$5,150,164.35 of which \$678,401.90 will be reimbursed by San Antonio Water System (SAWS) and \$127,265.00 will be reimbursed by CPS Energy for the Cedarhurst Drive Area (Dumont Drive to Eaglerock Drive) Project, a 2017 Bond drainage funded project, located in Council District 4.

### BACKGROUND INFORMATION:

#### Project Background

On May 6, 2017, voters approved the 2017 Bond Program which authorized \$9,170,000.00 for the Cedarhurst Drive Area (Dumont Drive to Eaglerock Drive) drainage project located in Council District 4.

The Cedarhurst Drive area has historically experienced drainage issues and flooding. In an effort to address these concerns, the Project will provide for the construction of an underground storm drain system along Cedarhurst Drive and for improvements to the existing drainage outfall allowing flood relief to neighborhood streets and properties. The project will also provide for the full-depth pavement reconstruction of Cedarhurst Drive to include curbs, sidewalks, driveway approaches and utility improvements as needed.

Project construction is anticipated to begin in December 2019 and estimated to be completed by June 2021.

#### Procurement of Services

This project was advertised August 2, 2019 for construction bids in the San Antonio Hart Beat, on the City's Texas Electronic State Business Daily, on TVSA, through the electronic bidding site CIVCAST website, on the and through the TCI Small Business Office. Bids were opened on September 3, 2019 and four (4) bids were received. Of these, Pesado Construction Company submitted the lowest responsive bid.

This contract will be awarded in compliance with the new Small Business Economic Development Advocacy (SBEDA) Program, which requires contracts to be reviewed by a Goal Setting Committee to establish a requirement and/or incentive unique to the particular contract in an effort to maximize the amount of small, minority and women-owned business participation on the contract. The Goal Setting Committee set a 26% Minority/Women Business Enterprise (M/WBE) subcontracting goal and a 4% African American Business Enterprise (AABE) subcontracting goal. Pesado Construction Company has committed to meeting the subcontractor participation goal.

This construction contract was developed utilizing the low bid process. Therefore, a Contracts Disclosure Form is not required.

#### **ISSUE:**

This ordinance accepts the lowest responsive bid and awards a construction contract to Pesado Construction Company in the amount of \$5,150,164.35 of which \$678,401.90 will be reimbursed by San Antonio Water System (SAWS) and \$127,265.00 will be reimbursed by CPS Energy for the Cedarhurst Drive Area (Dumont Drive to Eaglerock Drive) Project, a 2017 Bond drainage funded project, located in Council District 4.

The Cedarhurst Drive Area Project will provide for the construction of an underground storm drain system along Cedarhurst Drive and for improvements to the existing drainage outfall allowing flood relief to neighborhood streets and properties. The project will also provide for the full-depth pavement reconstruction of Cedarhurst Drive to include curbs, sidewalks, driveway approaches and utility improvements as needed.

Project construction is anticipated to begin in December 2019 and estimated to be completed by June 2021.

#### **ALTERNATIVES:**

As an alternative, City Council could choose not to award this contract and require staff to re-advertise this project. Considering the additional time required for another solicitation process, this would adversely affect the timely completion of the project.

**FISCAL IMPACT:**

This is a one-time capital improvement expenditure in the amount of \$5,150,164.35 payable to Pesado Construction Company of which \$678,401.90 will be reimbursed by San Antonio Water System (SAWS) and \$127,265.00 will be reimbursed by CPS Energy for the Cedarhurst Drive Area (Dumont Drive to Eaglerock Drive) Project. Funds are available from the 2017 General Obligation Bond Program and are included in the FY 2020 - FY 2025 Capital Improvement Program Budget.

**RECOMMENDATION:**

Staff recommends approval of this ordinance accepting the lowest responsive bid and awarding a construction contract to Pesado Construction Company in the amount of \$5,150,164.35 of which \$678,401.90 will be reimbursed by San Antonio Water System (SAWS) and \$127,265.00 will be reimbursed by CPS Energy for the Cedarhurst Drive Area (Dumont Drive to Eaglerock Drive) Project.
