ALTERNATIVES:

Current: The present zoning district designation of “MI-1” Mixed Light Industrial District is established to encourage the development of mixed agricultural, commercial and light industrial uses that are internally compatible in an effort to achieve well designed development and provide a more efficient arrangement of land uses, building, and circulation systems. These districts are located for convenient access from existing and future arterial thoroughfares and railway lines. Furthermore, these districts shall protect and enhance the rural character of the area, attract sources of economic development and growth, promote clean industry, and minimize the adverse effects to adjacent uses.

Proposed: The proposed zoning district designation of “MI-2 S” Mixed Heavy Industrial District is established to encourage the development of commercial, light and heavy industrial uses that are internally compatible in an effort to achieve a well-designed development and provide a more efficient arrangement of land uses, building, and circulation systems. These districts are located for convenient access from existing and future arterial thoroughfares and railway lines. Furthermore, these districts shall protect and enhance the rural character of the area, attract sources of economic development and growth, promote clean industry, and minimize the adverse effects to adjacent uses.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The property is not part of a Regional Center and is not within a premium transit corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (10-0) recommend Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within Heritage South Sector Plan and is currently designated as “Agribusiness RIMSE Tier” in the future land use component of the plan. The applicant is requesting a Plan Amendment to change the future land use to “Specialized Center.” Staff and Planning Commission recommend Approval.

2. Adverse Impacts on Neighboring Lands:

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change

request.

3. Suitability as Presently Zoned:

The current “MI-1” Mixed Industrial District zoning is appropriate for the property and surrounding area. The proposed “MI-2 S” Mixed Heavy Industrial District is also an appropriate for this property and area, which is primarily industrial in nature.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Heritage South Sector Plan:

- ED-2.1 Support workforce development programs for targeted industries
- ED-6.1 Create a brand for Heritage South building on the vision for the area
- ED-6.3 Promote low impact industry, high and biotechnologies, and international trade

6. Size of Tract:

The subject property is 7.39 acres, which could reasonably accommodate the proposed industrial development.

7. Other Factors:

The purpose of the Specific Use Authorization is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but with may, under the right set of circumstances and conditions be acceptable in certain specific locations.
