RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (8-0) recommend Approval.

The proposed land use amendment from “Parks and Open Space” and “Low Density Residential” to “High Density Residential” is requested in order to rezone the property to “MF-33 MLOD-3 MLR-1” Multi-Family Martindale Army Air Field Military Lighting Overlay Military Lighting Region - 1 District. This is consistent with the Eastern Triangle Community Plan’s objective to identify vacant properties near schools for construction of family housing for families with school age children. The subject property is within 0.35 miles of an elementary school. The future land use classification for the property is “Parks and Open Space” and “Low Density Residential”, which is compatible with the existing uses in the area. The proposed Plan Amendment to “High Density Residential” is a compatible transition from the commercial use to the west and serves a transition and buffer for the established single-family residential to the west.

ALTERNATIVES:

1. Recommend denial of the proposed amendment to the Eastern Triangle Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
