This action is consistent with City Code and Ordinances, which requires City Council approval for the sale or disposition of City-owned or controlled real property.

ALTERNATIVES:

The Planning Commission could choose not to recommend this request; however, Petitioner will not be able to use the property for parking.

FISCAL IMPACT:

The fee established for this request is \$21,100.00, which includes the assessed value of the public right of way in the amount of \$21,000.00 plus \$100.00 for administrative costs. In compliance with Chapter 37 of the City Code, Section 37-2, fair market value of the proposed closure was based upon an independent State of Texas Certified Professional Appraisal Report prepared by Noble & Associates, Inc. on September 18, 2019. These funds will be deposited into the General Fund in accordance with the FY 2020 Adopted Budget.

The property will be placed on the tax rolls, which will generate revenue for the City of San Antonio as well as other taxing entities.

RECOMMENDATION:

Staff recommends approval of this request to close, vacate and abandon an improved portion of Burwood Lane Public Right of Way, in Council District 1.
