BACKGROUND INFORMATION:

Project Background

On May 6, 2017, voters approved the 2017 Bond Program which authorized \$400,000.00 for improvements to Palo Alto Park. The park is 12 acres with multiple amenities including a parking lot, 0.5 mile paved walking trail, a softball field, two pavilions, two basketball courts, a half dozen picnic units, a playground, one portable

restroom, a skate park and a large sports field.

The project will provide for an expansion to the Palo Alto Park parking lot, underground electrical work, four new 60-foot sports field lights, new walkways, trees and a portable restroom enclosure. The additive alternate will provide for two light fixtures, which will be added to the new sports field lights for security. Project construction is anticipated to begin January 2020 with an estimated completion date of May 2020.

This project was advertised on September 4, 2019 for construction bids in the San Antonio Hart Beat, on the City's website, on the Texas Electronic State Business Daily, on TVSA, through the TCI Small Business Office and CivCast electronic bidding site. The Goal Setting Committee set an 18% Minority/Women Business Enterprise (M/WBE) subcontracting goal and a 2% African-American Business Enterprise (AABE) subcontracting goal.
