ISSUE:

Consideration of the following five construction contracts totaling \$37,364,970.00 to complete the street maintenance projects identified in the FY 2020 Infrastructure Management Program:

A. This ordinance accepts the lowest responsive bid and awards the 2020 Micro Surface Task Order Contract Package 1 to Intermountain Slurry Seal, Inc. in an amount not to exceed \$3,474,533.50, of which \$37,200.00 will be reimbursed by San Antonio Water System (SAWS) for necessary adjustments to its existing infrastructure.

B. This ordinance accepts the lowest responsive bid and awards the 2020 Micro Surface Task Order Contract Package 2 to Intermountain Slurry Seal, Inc. in an amount not to exceed \$3,486,407.00 of which \$37,200.00 will be reimbursed by San Antonio Water System (SAWS) for necessary adjustments to its existing infrastructure.

C. This ordinance accepts the lowest responsive bid and awards 2020 Street Rehabilitation Package 4 to J&P Paving Co., Inc. in an amount not to exceed \$15,847,765.20 of which \$326,040.00 will be reimbursed by San Antonio Water System (SAWS) and \$42,000.00 will be reimbursed by CPS Energy for necessary adjustments to their existing infrastructure.

D. This ordinance accepts the lowest responsive bid and awards 2020 Street Rehabilitation Package 5 to Clark Construction of Texas, Inc. in an amount not to exceed \$4,880,786.30 of which \$141,375.00 will be reimbursed by San Antonio Water System (SAWS) and \$7,500.00 will be reimbursed by CPS Energy for necessary adjustments to their existing infrastructure.

E. This ordinance accepts the lowest responsive bid and awards 2020 Street Rehabilitation Package 7 to H.L. Zumwalt Construction, Inc. in an amount not to exceed \$9,675,478.00 of which \$255,040.00 will be reimbursed by San Antonio Water System (SAWS) and \$20,000.00 will be reimbursed by CPS Energy for necessary adjustments to their existing infrastructure.

As part of the Department's continuing efforts to expedite project delivery and complete infrastructure projects, the task order contracts will allow TCI to handle multiple projects to be delivered through the Infrastructure Management Program.

The Contracts for Asphalt Overlays, Micro Surface and Concrete Flatwork projects include, but are not limited to, the repair of a street's base structure, asphalt surface overlay, micro surface, wheelchair ramps improvements and any other required work for the completion of the IMP Asphalt Overlay projects located

throughout the City.

ALTERNATIVES:

City Council could choose not to award these contracts and request staff to re-bid this package; however, re-bidding would delay the delivery of the FY 2020 Street Maintenance Program and would result in a portion of the street maintenance projects not being completed as programmed.

FISCAL IMPACT:

A.
