Access:

Plat 180411, Waterwheel Park Collector and 180410, Waterwheel Unit 4B Collector, provides access to

FEMA Study:

It is noted that no building permits will be issued until a FEMA LOMR flood plain study is prepared and approved. In addition, a letter of map revision must be issued by FEMA indicating no 100-year flood plain encroachment exists on lots. Elevation certificates for homes constructed on the above-mentioned lots shall be submitted to the City of San Antonio and Bexar County.

ALTERNATIVE ACTIONS:

Per State Law, Section, 212.009 and Unified Development Code, Section 35-432(e) the Planning Commission must approve Plats that conform to the Code.
