Criteria for Review

According to Section 35-482(h) of the UDC, in order for special exception to be granted, Board of Adjustment

must find that the request meets each of the five following conditions:

A. The special exception will be in harmony with the spirit and purpose of the chapter.

The purpose of the review is to ensure that the operation of one-operator beauty/barber shop does not negatively impact the character of the community. The applicant has fulfilled all requirements for a one-operator shop as established in the Unified Development Code. As such, staff finds that the special exception will be in harmony with the purpose of the chapter.

B. The public welfare and convenience will be substantially served.

Public welfare and convenience will be served as it will provide a valuable service to the residents of the neighborhood. The applicant has proposed the hours of Tuesday to Saturday from 8:30 a.m. - 3 p.m., by appointment only.

C. The neighboring property will not be substantially injured by such proposed use.

The subject property will be primarily used as a single family residence. The beauty/barber shop will occupy only a small portion of the home, as required by the UDC. A neighboring property owner should not have any indication that a portion of the home is being used for this purpose.

D. The special exception will not alter the essential character of the district and location in which the property for which the special exception is sought.

The requested special exception is not likely to alter the essential character of the district as the property is still used, primarily, as residence.

E. The special exception will not weaken the general purpose of the district or the regulations herein established for the specific district.

The primary use of the dwelling remains a single-family home. The granting of this special exception will not weaken the purposes of the residential zoning district.

Alternative to Applicant's Request

The Board may choose to deny the request, resulting in the property owner not being permitted the beauty/barber shop use.

Staff Recommendation

Staff recommends **APPROVAL** of special exception in, **BOA-19-10300160**, based on the following findings of fact:

1. The home retains its residential character and does not detract from the residential nature of the community;
2. The granting of the special exception will not injure the public safety or welfare of the subject neighboring properties.
3. The hours of operation will to be limited to Tuesday to Saturday from 8:30 a.m. - 3 p.m., by appointment only.
