SA to DC 2020

The San Antonio Chamber of Commerce and partners will be hosting SA to DC February 3 - 6, 2020. SA to DC is the Chambers' annual trip to Washington, DC to advocate for federal funding and programs beneficial to the San Antonio community. The SA to DC agenda is developed with input from business, military, and community stakeholders - including the City of San Antonio. Currently, GPA staff is working on the issue papers that will be part of the SA to DC package and that are used by the participants to advocate for the various San Antonio issues.

The SA to DC agenda will be divided among thirteen Issue Teams: Aerospace, Cybersecurity, Education and Workforce Development, Energy and Sustainability, General Business, Housing, International trade, Military affairs, Public Health; Tourism and Hospitality, Transportation and Water. The Issue Teams will participate in meetings with members of Congress and federal agencies to advocate for the priorities in the SA to DC agenda.

At the IGR meeting, GPA staff will brief the committee on the preparations and discuss staff recommendations for participation by the Council members.
