**SUBJECT:** Consideration of High Profile Solicitation for Release  
**DATE:** January 21, 2020

The following high profile solicitation is scheduled to be released within the next month.

**On-Call Professional Engineering Services for Traffic Engineering (TCI)** - The City of San Antonio, in its continued effort to provide timely completion of various traffic and transportation related projects, is soliciting for qualified engineers to provide traffic engineering services on an as-needed basis. Services may include providing plans, studies, analysis and preliminary and final design documents, cost estimates, plan and/or reports, which discuss findings, engineering calculations, recommendations and work product. Consultants will need to demonstrate pre-qualifications in certain TxDOT work categories for planning, studies, design and analysis. Projects requiring traffic engineering services will be in support of the City's various transportation, pedestrian, bicycle, and traffic calming initiatives and programs such as Vision Zero, School Pedestrian Safety, Neighborhood Traffic Calming and the Infrastructure Management Program (IMP).
