Property Details

Property History: The subject property was annexed into the City of San Antonio by Ordinance 2590, dated September 6, 1945 and zoned "C" Apartment District. Under the 2001 Unified Development Code, established by Ordinance 93881, dated May, 03, 2001, the property zoned "C" Apartment District converted to the current "MF-33" Multi-Family District. The property was rezoned by Ordinance 98691, dated January 8, 2004 from "MF-33" Multi-Family District to the current "R-5" Residential Single-Family District.

Topography: The property does not include any abnormal physical features such as slope or incursion in a flood plain.

Overlay and Special District Information:

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

"MLOD-2"

All surrounding properties carry the "MLOD-2" Military Lighting Overlay District, due to their proximity to

Lackland Air Force Base. The "MLOD-2" does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

Transportation

Thoroughfare: Dolores Avenue

Existing Character: Local

Proposed Changes: None Known

Public Transit: VIA bus routes are within walking distance of the subject property.

Routes Served: 77

Traffic Impact: A Traffic Impact Analysis (TIA) is not required. The traffic generated by the proposed development does not exceed the threshold requirements.

Parking Information: The minimum parking requirement for two (2) residential units is 1 space per unit.

ISSUE:

None.

ALTERNATIVES:

Current: The present zoning district designation of "R-5" Residential Single-Family District provide areas for medium- to high-density, single-family residential uses where adequate public facilities and services exist with capacity to serve development. These districts are composed mainly of areas containing single-family dwellings and open area where similar residential development seems likely to occur. Residential single-family provides minimum lot size and density requirements in order to preserve neighborhood character.

Proposed: The proposed "R-5 CD" allows all of the above in addition to two (2) residential dwelling units.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is not within a Regional Center or the Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the West/Southwest Sector Plan and is currently designated as "General Urban Tier" in the future land use component of the plan. The requested "R-5" base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The base zoning will remain "R-5".

3. Suitability as Presently Zoned:

The current “R-5” Residential Single-Family District is an appropriate zoning for the property and surrounding area. The proposed rezoning maintains the base zoning district. The Conditional Use allows consideration of slightly more density for two (2) residential units.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the West/Southwest Sector Plan:

HOU-1.2 Provide a range of housing types and prices to accommodate all residents within the Sector and within the same neighborhood.

HOU-3.1 Re-invest in existing residential neighborhoods

6. Size of Tract:

The subject property is 0.13770 acres, which could reasonably accommodate two (2) residential units.

7. Other Factors:

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

Previous owner built additional unit in the rear as an addition. Current owner is applying to get it in compliance.
